

3 February 2022

Town of Windsor Board Members:

For the month of January, I was busy taking in all exemptions (Enhanced STAR, Low Income Senior, Veterans, Disability, Forest and Agricultural Exemptions) during the week and inputting all the exemptions into the computer. I have also been busy going out on the road every Saturday morning, I have been getting a lot accomplished, I am very happy with what I have done so far. The weather has been good to me, it has just been really cold. Hopefully by next month I will have a spreadsheet for you to show you what assessments I have changed. There is a lot. I go out on the road in January and February to cut down on my workload during March and April.

Towards the middle of February, I will be calling my seniors that haven't come in or handed in their exemptions to me to remind them to come in or to make sure their income has not changed over the phone. Since the deadline is March 1<sup>st</sup>. It's a big exemption for a lot of them.

Thank you,

Becky A. Herzog-Ottens
