Dear Ms. Brown:

**RE: REQUEST FOR A SPEED LIMIT REDUCTION
RILEY ROAD
TOWN OF WINDSOR, BROOME COUNTY**

This is a follow up of our January 20, 2021 letter to you. You requested a speed limit reduction on the Riley Road in the Town of Windsor. Upon review, the Traffic Safety and Mobility Office (TSMO) discovered that a speed limit is already set for this road. Notice of Order 11 03.24 (g) identified 35 MPH on Riley Road, a town highway, between Route 17 and a point 0.5 mile north of Route 17, a distance of 0.5 mile. Notice of Order 11 03.24 (h) identified 45 MPH on Riley Road, a town highway, between a point 0.5 mile north of Route 17 and a point 2.2 mile north of Route 17, a distance of 1.7 miles. These speed limits are appropriate for this road.

The Town of Windsor is responsible for signing this road. Only two speed limit signs were identified on this stretch of Riley Road. The new speed limit signs must be installed in accordance with Title 17B of the New York State official Compilation of Rules and Regulations (New York State Supplement to the National Manual on Uniform Traffic Control Devices). In addition, the Town may want to review the existing warning signs.

If you have any questions, please feel free to contact me at (607) 721-8072.

Sincerely,

Pamela Gendron, P.E.
Traffic Operations Engineer
