Richard Osborne
Code Enforcement Officer
Town of Windsor

Report for Town Board Meeting for April

2022

- 1) Permit for single family home (Lakeside Camp)
- 2) 2 permits for sheds and gazebo
- 3) 1 driveway permit on Brown Road
- 4) 1 permit for deck replacement Beaver Lake

Activities are starting to pick up, price of lumber as well as increase in fuel cost seem to be slowing the start of new home construction. Most activity is in remodeling and repairs of existing residences.

We have been following up on multiple complaints regarding some of the bluestone quarries. We've met with NYS DEC and have learned that the permitting and bonding process is not very accurate or up to date. Both policies are up to the quarry operator to file for, and as the DEC office having jurisdiction is located in Syracuse the only time that they investigate is when there is a complaint. We have been forwarding all complaints and concerns to them and trying to follow up.
