Ms. Susan Brown
Deputy Commissioner of Public Works
Broome County Highway
47 Thomas Street
Binghamton, NY 13901

RECEIVED
APR 22 2020
OFFICE OF THE TOWN CLERK
WINDSOR, NY

Dear Deputy Commissioner Brown:

**RE: REQUEST FOR SPEED LIMIT REDUCTION
ATWELL HILL ROAD
TOWN OF WINDSOR, BROOME COUNTY**

This is a follow-up to our February 7, 2020, letter to you. The Traffic Safety and Mobility Office (TSMO) has completed their review of the speed limit on Atwell Hill Road.

With such low traffic volumes on Atwell Hill Road, conventional methods of identifying operating speeds could not be employed. Therefore, the review process included multiple trips within the limits requested, driving 5 MPH intervals and identifying a speed that is reasonable and enforceable. This is a common method used for setting speed limits on low volume roads. After considering the roadside friction, development, physical features, and the geometry of the roadway, the engineer identified the appropriate speed limit. The speed limit will be reduced to 40 MPH on Atwell Hill Road.

A copy of enclosed Notice of Order 11 03.24 (z) establishes 40 MPH as the maximum linear speed for Atwell Hill Road, between State Line Road, CR 225 and Vinegar Hill Road, a distance of 3.2 +/- miles, in the Town of Windsor.

The Town of Windsor will be responsible for signing Atwell Hill Road. The new speed limit signs must be installed in accordance with Title 17B of the New York State official Compilation of Rules and Regulations (New York State Supplement to the National Manual on Uniform Traffic Control Devices). In addition, the Town may want to review the existing warning signs.

If you have any questions, please feel free to contact Pamela Gendron, PE at (607) 721-8072.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tony Signorelli".

Tony Signorelli, P.E.
Regional Traffic Engineer
