Re-Levy Process

Every year unpaid balances on sewer accounts have to be forwarded to Broome County Real Property Tax Service in mid to late November. These unpaid balances on sewer accounts are added to the following year's Town and County tax bills that are received in January. Please be aware that any outstanding balances have to be paid by mid November in order to avoid the re-levy process and additional late fees charged by the County.

Payment of Sewer Fees

The September 1st bill must be paid no later than October 7th (postmarks accepted) in order to avoid a penalty.
