

STATE OF NEW YORK
PUBLIC SERVICE COMMISSION

CASE 19-E-0121 - Petition of Bluestone Wind, LLC for an Original Certificate of Public Convenience and Necessity and for an Order Granting Lightened Regulation.

RULING FINDING NO MATERIAL FACT ISSUES

(Issued October 7, 2020)

SEAN MULLANY, Administrative Law Judge:

A Public Statement Hearing was held in this case on September 12, 2019. No member of the public has identified any material issue(s) of fact relating to the determinations and decision the Commission must make in this proceeding.

On October 5, 2020, Department of Public Service Staff (staff) confirmed that discovery in this matter has been completed and that, based on Staff's review of the responses provided by Bluestone Wind, LLC (Bluestone) to Staff's discovery requests, Staff has not identified any material issues of fact.

No other party has identified any material issues of fact.¹

Because there is no need for further evidentiary process, this case will be transferred to the Office of General Counsel for presentation to the Commission in due course.
