Volunteer Recognition

Mike McCabe, a resident in the Sewer District, has given many hours of volunteer time to the West Windsor Wastewater Treatment Plant. He has mowed grass numerous times and even made paths through the snow for the plant operators.

You may have noticed how well the grass is mowed along Fairview Drive. Again, it is Mike McCabe who does this mowing. He does all of this out of his interest in giving service to others and making his community look great. Thank you, Mike.
