Dear Carolyn:

Thank you for attending and participating in our annual District Safety Table Top Meeting, held February 15, 2017, and designed to test the Windsor Central School District's Emergency Response Teams. This exercise provides a rare opportunity for you, our administrators, and our building safety team members to discuss and work through potential scenarios together, prior to the occurrence of an actual emergency.

We are fortunate to have community and staff members who willingly give up their free time to provide both support and insight with regards to our emergency procedures. Maintaining thorough emergency plans is of the utmost importance and your expertise and input is invaluable in helping us continue to provide a safe environment for students, staff and all who enter our schools. Your commitment to the Windsor Central School District is greatly appreciated

On behalf of the Windsor Central School District, thank you for spending your evening with us.

Sincerely,

A handwritten signature in cursive script that reads "Andrew A. Fiorentino".
