Re: Case 16-F-0559

The Application of Bluestone Wind, LLC for a Certificate of Environmental Compatibility and Public Need Pursuant to Article 10 for Construction of the Bluestone Wind Farm Project Located in the Towns of Windsor and Sanford, Broome County.

Dear Judges Mullany and O'Connell:

I am writing to report on activities related to application phase intervenor funds awarded to our organization on March 7, 2019 in the above referenced proceeding.

These funds in the amount of \$18,000.00 were provided to retain the services of Research Wildlife Biologist Tricia Miller with respect to potential impacts on eagles and other large raptors. Dr. Miller has prepared six reports in regard to these issues, which have been now been provided to the project applicant and the party list in this Matter. This completes the work for which these funds were awarded.

This document is intended to meet reporting requirements set forth in 16 NYCRR 1000.10(b)(10).

Please contact me with any questions or for further information.

Sincerely,

Andrew Mason, Co-President
