Town of Windsor Board Members:

For the month of November, I was busy taking in new exemptions. (Enhanced STAR and Veterans) I was extremely busy sorting out, folding and stuffing all the renewal exemptions. The renewals consist of Enhanced STAR, IVP, Agricultural, Renounce letters for the trailer parks, Disability, and Low Income Seniors. December starts my busy time being in the office all day. December through March 1st.

For the month of December, I was busy taking in new and renewal exemption forms and income (Enhanced STAR, Ag Exemptions, Renounce letters from the trailer parks)

I was also getting my senior (low-income) STAR and Disability Exemptions ready to go in the mail by 13th of January.

I'll be working on Saturdays (January and February) and going out on all the roads in Windsor and assessing all parcels.

Thank you,

Becky A. Ottens
Town of Windsor Assessor
