Town of Windsor Board Members:

For the month of July: The final roll came out July 1st and the copy is in my office and on our town website. We are currently on 2017 roll year now, so I can go out anytime and look at property for reassessment or new construction. I have been busy trying to get my files all in order from the new sales. I also took a few days off and went away.

Thank you,

Becky A. Ottens
Town of Windsor Assessor
