Re: 2020 Census Local Update of Census Addresses

The 2020 Census Local Update of Census Addresses (LUCA) is a voluntary decennial census operation. LUCA is the only opportunity prior to the 2020 Census for local governments to review and update the Census Bureau's residential address list for their jurisdiction. The Census Bureau relies on a complete and accurate address list to reach every living quarters and associated population for inclusion in the Census.

We have taken this responsibility very seriously for the past several months. We know that Per Capita Aid from New York State is based on the Census and Sales Tax distribution in Broome County is based on population, i.e. the Census.

The update of addresses has been filed with the U.S. Census Bureau.

196 addresses were added

3 addresses were deleted

1 address was deleted due to a boundary error

192 address total added

There also were 5 addresses that had to have changes made in them.

I would like to recognize and thank the following people for their help with this Herculean task:

Frank Evangelisti, Director of Planning, Broome County

Doug English, GIS Administrator, Broome County

Barbara Miller, Town Clerk

Theresa Staats, Secretary to the Supervisor

Dave Brown, Code Enforcement Officer

Becky Ottens, Assessor

Diane Wallick, Deputy Village Clerk/Treasurer

Aaron Price, Community Volunteer

With their help, the final reporting was accomplished in the 90 day period allowed.
