Dear Commissioner Schofield:

Re: **REQUEST FOR SPEED LIMIT REDUCTION  
SPRINGSTEEN AND PATTERSON ROAD  
TOWN OF WINDSOR, BROOME COUNTY**

Thank you for your letter dated October 21, 2014 that relayed the Town of Windsor's request for a reduced speed limit on Patterson and Springsteen Road in the Town of Windsor. Our Office has completed our review as requested.

Our study identified 40 MPH as the appropriate speed limit on both Patterson Road and Springsteen Road. Copies of Notice of Order 1103.24 (u) and Notice of Order 1103.24 (v) are enclosed. Notice of Order 1103.24 (u) establishes 40 MPH as the maximum linear speed on Patterson Road, in its entirety, a distance of 1.5 miles +/- . Notice of Order 1103.24 (v) establishes 40 MPH as the maximum linear speed on Springsteen Road, in its entirety, a distance of 1.1 miles +/- .

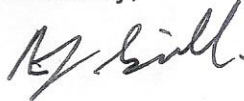

The Town of Windsor will be responsible for posting the appropriate signs in accordance with title 17B of the New York State Official Compilation of Rules and Regulations (New York State Supplement to the National Manual on Uniform Traffic Control Devices). In addition to speed limit signs, the Town should also consider improving the existing advisory warning signs for curves, intersections, and driveways.
